# Get harvest ready!

## Book your tractor, trailer or lorry brake test today

**With brake testing deemed vital at every safety inspection, it should be planned as a key part of the maintenance regime for your trailer.**

Our rolling road is equipped with extra wide rollers to accommodate all makes and models of trailers, and our extended workshop availability means your trailer will have minimum down time and be back on the road before you know it!

The rolling road shows the condition and efficiency of each axle in great detail helping to identify the specific location and cause of issues, as well as a balance reading on both axles to determine if one brake is working more or less than the other. Unbalanced axle braking could cause the trailer to pull to one side, particularly in the wet, where it could possibly lock a wheel and cause flat spots on the tyres.

**WE ARE A  
BAGMA APPROVED  
THOROUGH  
EXAMINATION CENTRE**

By law, all lifting equipment, which includes forklifts, telehandlers and excavators, needs a regular Thorough Examination Certificate.

**Ensure that your handling equipment is safe and legal with Thorough Examination inspections.**

When your inspection is finished, you will receive an official Report of Thorough Examination.

**STAY SAFE, STAY LEGAL!**

**Contact your local service manager to book a test now to stay safe and compliant ahead of harvest.**

# FOREWORD

## Carrington Open Day Event A Weekend to Remember!

A massive thank you to everyone who joined us for our Open Days last month. Whether you came along on the Friday for Business Day or brought the family on Saturday for a bit of fun– it was fantastic to see so many friendly faces, both new and familiar.

We welcomed over 400 visitors through the gates. Friday was all about showcasing agricultural machinery, technology and innovation – and giving people the chance to get up close to the machinery and chat with industry experts. With live demonstrations throughout the day, we had some interesting conversations with visitors and a look behind-the-scenes at what's going on in the machinery world really seemed to hit the mark.

Then came Saturday – and with it a real community feel. The Lincolnshire Young Farmers brought the energy with their tug-of-war competition. A couple of downpours made an appearance, but not a single spirit was dampened – if anything, it added to the fun.

We were thrilled to hold a raffle in aid of the Lincolnshire Rural Support Network (LRSN), which raised a fantastic £520 thanks to the generosity of our visitors and suppliers. A heartfelt thank you to everyone who donated prizes and bought tickets – every penny is going to a great cause that supports our rural community when it matters most.

Events like this don't happen without the hard work of a brilliant team, so hats off to all our staff, helpers, suppliers, and partners who pulled together to make this year's Open Days such a success. From setting up to packing down – your efforts didn't go unnoticed. And of course, thank you to every single person who came along. You make these days worthwhile and full of great conversation, and we hope you enjoyed it as much as we did.

# FOR SALE

**2024 KUBOTA M6-141 UTILITY TRACTOR & VEG RIG** Ref.AG29629  
C/W - 140HP, 32/32 gears, creep, 40kph, 540/1000 PTO, 4WD, 2 x manual spools, hyd. hitch, air ride seat, 6.1t rear lift, tool box & instructor seat. Fitted with Keith Collingwood veg rig.

£52,500+VAT

**2023 KUBOTA M5-112 TRACTOR & LOADER** Ref.AG27634

C/W - 115HP, 36/36 gears, LHR, 40kph, 4WD, 2 manual spools, work lights, hyd pick up hitch, air ride seat & LA2000 loader with euro attachment & passenger seat.

£75,000+VAT

**2022 KUBOTA M7173 TRACTOR** Ref.AG20842 Hours: 1734

C/W - 170HP, 30F/15R 50kph powershift trans with creep, front axle suspension, dromone PUH, auto & spring stabilisers & joystick. Tyres F:540/65R28 R:650/65R38. Warranty to 10/26 / 3000 hrs from 8/22.

**KRM SOLADRILL**  
Ref.AG31581

C/W - 6m width, 1 row of sprung tines, 3 rows of coulters, bout markers, rear work lights, double tine rear harrows, PTO driven fan.

**VADERSTAD RAPID 400F DRILL**  
Ref.AG31563

C/W - 4m width, Fenix metering unit, drawbar mounted packer wheels, 4 rows of discs, bout markers, pre emergence markers, rear pigtail harrows, 2x wheel eradicators & hydraulic fan drive.

**TONG SWIFTLIFT EXTENDO 900 ELEVATOR**  
Ref.AG29541

C/W - 900mm wide belt, 3-phase electrics, variable speed drive, auto slewing platform, hopper, drawbar, 20m mains cable, power transmission dual drive, & luffing head.

**KUBOTA EK1-261 COMPACT TRACTOR** Ref. GC29055

C/W - 25HP, ROPS, turf tyres & manual gearbox.

**KUBOTA BX261 COMPACT TRACTOR** Ref. GC28108

C/W - HST, ROPS, 26HP, high-low gear shift, 4WD & turf tyres.

**40FT SHIPPING CONTAINERS**

9' 6" HIGH Ref. GC31185

Delivery included within PE22 area. Call for full details and availability.

## SEALEY

We stock a wide range of spares, workshop equipment and consumables in all our depots.

**2024 TANCO I73 BALE SHEAR**  
Ref.AG31553

C/W - Manitou Headstock, 1.82m wide, splits bales up to 1.55m diameter, retains plastic wrap. Max of 3 bales cut.

**2014 LANDROVER DEFENDER TD XS DCB** Ref.AG31527

C/W - 6 speed manual 2200cc diesel engine. LED lights, black alloys, LED roof light. Metallic grey. 125,500 miles

# NEW KVERNELAND EQUIPMENT

**KVERNELAND TS DRILL**  
Ref. AG30816

C/W - 6m working width, 40 direct coulters, ECOM (Isobus), 1700 litre hopper, hopper cover, rear harrow, hydraulic fan drive, auto reset leg line, road lights & tramline valves.  
\*\*No control screen\*\*

**KVERNELAND DTX 300 CULTIVATOR** Ref. 11011299

C/W - 180 x 180x10mm main frame, 5 prolift tines (shearbolt), 2 rows of cultivation discs, DD rear packer, hydraulic depth control & road lights.

**KVERNELAND TL GEO 1875 FERT SPREADER** Ref. AG30761

C/W - 4 x 5t weigh cells, central reference sensor, LED road lights, mud & stone guards, Isobus, folding hopper cover, hopper grid & windows, 12-45m spread, PTO overload clutch, grading box. 2 x hopper extensions, hopper emptying.

**KVERNELAND LS250 5 FURROW PLOUGH** Ref. AG29659

C/W - 5f (extendable), 250 HP head stock, no 28 bodies, extra stays, knock on points, mechanical front furrow, quick fit points, disc coulters, maize skimmers, 320/60-12T2T depth/transport wheel & lock.

**KVERNELAND 3400B TTS VARIOMAT PLOUGH** Ref. 11011302

C/W - 6 furrow, on land/in furrow, no 40 slats, quick fit points, frame strengthening kit, TTS, disc coulters, 420/55-17 depth and transport tyre.

**KVERNELAND TL GEO 1875 FERT SPREADER** Ref. AG30751

C/W - 4 x 5t weigh cells, central reference sensor, LED road lights, mud & stone guards, Isobus, folding hopper cover, hopper grid & windows, 12-45m spread, PTO overload clutch, grading box. 2 x hopper extensions, hopper emptying.

**KVERNELAND ROTAGO 4060F POWER HARROW** Ref. 11011301

C/W - 6m working width, hydraulic folding, hydraulic depth control, hydraulic levelling board, quick fit tines, 575mm tooth packer roller with carbide scrapers & road lights.

**KVERNELAND FHP PLUS 230 MOWER** Ref. AG31026

C/W - 2.3m working width, double skin, hydraulic offset, hydraulic break back with hammer flails and large rear roller. PTO driven.

**£62,500+VAT**

**KVERNELAND T4 TRAILED SPRAYER** Ref. AG24945

C/W - 24m boom width, 4000 l tank, IM Grip, ISO boom guide comfort, mud guards, iXclean pro valve set, Ergo drive T & 850/85 R42 tyres.  
**TWO YEARS WARRANTY**

# KUBOTA GROUND CARE

Kubota machinery boasts exceptional performance, reliability, and efficiency, making them a top choice for both residential and commercial users.

On steep slopes and over rough surfaces, the RTV Utility Vehicles offer 4-wheel drive that adapts to all situations. There are several models, including two petrol versions (400 and 500 cc) and one diesel (900 cc) to meet all your needs.

## RTV-520

Power: 18HP Weight: 625kg / Body colour: Kubota Orange

## RTV-X1110 / RTV-X1140

Power: 24HP

Weight: 1000-1090kg

Body colours: Kubota Orange/ Realtree AP Camo

Kubota mowers are engineered to handle a variety of terrains and conditions, ensuring a consistently high-quality cut, and each model is designed for comfort and ease of use. With models ranging from 13-50 HP with cutting widths up to 72", including zero turn and now electric models, there's something to suit your needs, whether you're maintaining a large lawn or tackling extensive landscapes.

## GR Series

Power: 13-21HP

Weight: 355-545kg

Cutting width: 42-48"

Collector capacity: 340/450l

## ZD1211

Power: 25HP

Weight: 790kg

Cutting width: 60"

## F Series

Power: 25-38HP

Weight: 741-853kg

Cutting width: 60-72"

Contact our Groundcare Sales Team to find a solution to suit your needs.

£35,950+VAT

## 6M LOW DISTURBANCE

**TOOLBAR (LDT) Ref. AG20289**

C/W - CAT 3 & 4 linkage, 12 x low disturbance legs, 12 x tungsten points and hard faced legs, hyd front cutting discs, automatic wing folding rams, 4 x double acting hyd supply, 1 x heavy duty clevis, ISOBUS Connection.

£15,950+VAT

## GRANGE MACHINERY 4M CCT

Ref. AG19879

C/W - CAT 3 & 4 linkage, 8 x low disturbance loosening legs at 0.5m leg spacing with a range of 300mm working depth. 8 x tungsten points & 8 x hard faced lower legs.

£19,500+VAT

## GRANGE MACHINERY

**3M STRIP TILL Ref. AG24330**

C/W - 3m working width, 50cm spacing, 6 row, shearbolt protection & inline cultivation discs.

£12,500+VAT

## 2022 GRANGE MACHINERY GLL

Ref. AG28436

C/W - 3m working width, hydraulic front cutting discs, 6 auto reset legs at 50cm spacing, shoulder press rear packer & manual depth control.

# FOR SALE

**£19,500+VAT**

## 2024 SPEARHEAD MULTICUT

**480 PROLINE Ref.AG29390**

C/W - 4.6m working width (4.8m overall width), clevis hitch, wide angle PTO, levelling tie bars, hydraulic wing lift and support, full length side skids, front & rear chain curtains, 3 rotors with 6 blades per rotor, slip clutch & protected gearboxes.

**£19,500+VAT**

## 2024 SPEARHEAD MULTICUT

**480 PROLINE Ref.AG29390**

C/W - 4.6m working width (4.8m overall width), clevis hitch, wide angle PTO, levelling tie bars, hydraulic wing lift and support, full length side skids, front & rear chain curtains, 3 rotors with 6 blades per rotor, slip clutch & protected gearboxes.

## SPEARHEAD MULTICUT 650

**PROLINE Ref.AG31733**

C/W - Wide angle PTO, levelling tiebars, hydraulic folding, front and rear chain curtains, 5 rotors, 6 blades per rotor.

## 2021 SPEARHEAD ROLLCUT 500

**Ref.AG21003**

C/W - Working width 4.91m, transport width 2.66m, cutting height 10mm - 120mm, 27 fine cut, high lift blades & blade tip speed 87m/s.

**£8,950+VAT**

## SPEARHEAD MULTICUT 300

**Ref.AG29378**

C/W - 3m cut, manual height adjustment, floating 3 point linkage frame, front and rear chain curtains, side skids, 2 rotors with 2 blades per rotor & heavy duty industrial tyres.

## SPEARHEAD ROLLCUT 170

**Ref.GC13814**

Designed for light-duty amenity mowing, high-quality finish in material up to 20mm. Excels in parkland, golf courses, orchards and is the perfect choice for mounting on compact tractors.

## SPEARHEAD S32 COMPACT

**HEDGE CUTTER Ref.AG27386**

C/W - Mini pilot electric controls, rear lights & arm float with 1.0m head.

## SPEARHEAD TWIGAT65 CLASSIC

**HEDGE CUTTER Ref. GC29675**

C/W - Hydraulic proportional controls, 1.2m MPI flail head, DD,T flails, manual rear roller, 65HP pump, 3 point linkage mounting, cable rotor reverse and rear lights.

## SPEARHEAD SNIPER 190 MOWER

**Ref. GC13805**

C/W - Heavy duty hammer flails, electronically balanced rotor, enclosed self-aligning bearings. 140mm full width adjustable, self-cleaning rear roller with scraper.

**P.O.A.**

## SPEARHEAD 600 VFR

**HEDGE CUTTER Ref.AG31289**

C/W - 1.2m head, LHDD MC2 MK2, hydraulic roller height, hydraulic pilot control, variable forward reach.

**£4,500+VAT**

## TWOSE TE480 HEDGE CUTTER

**Ref.AG31188**

C/W - 14.8m reach, cable control, in full working order.

## 2016 BERTI TA/PS 200CM

**(TEAGLE) Ref.AG25714**

C/W - L/H offset, 2m working width, hyd offset, rear roller, large hammer flails & PTO drive.

# GH Hoyles Ltd - Cutting time, not

## How a Kubota F251 Mower helps efficiency on a pioneering

**Farming has been in the Hoyles family for over 250 years, with the current holding in South Lincolnshire stretching across 700 hectares of reclaimed silt soil. Day-to-day operations are managed by Director, David Hoyles and his team of six staff. While wheat, potatoes, sugar beet, peas, and mustard make up the core crop rotation, it's the farm's forward-thinking approach that sets it apart.**

From storing 180,000m<sup>3</sup> of rainwater in their own reservoirs to producing 440,000 kWh annually from wind and solar, sustainability is deeply embedded. Wildlife-friendly practices are everywhere: 58 hectares of nectar-rich flowers, wild bird seed areas, bee hives, insect houses and owl boxes—illustrating how modern farming and biodiversity can go hand-in-hand.

### Breaking New Ground

In what may be a UK-first, the business has taken a bold step by planting possibly the most northerly olive grove in the world. The journey began back in 2019, with extensive research into plant varieties and licensing. By Spring 2024, ten varieties were planted across 10 hectares of Grade 1 arable land. A wildflower mix sown between the rows

encourages insects that protect the trees – a conscious decision in line with changing attitudes toward food grown with minimal

If all goes well, the first commercial harvest is expected in 2027. The olives will be processed into pure Olive Oil on-site and sold both online and through a unique range of handcrafted olivewood h

In 2023, the business diversified further with a new park. A dedicated website, an online booking system and social media made it a hit from the start.

### Enter the Kubota F251 Out Front Mower

Maintaining the park's grass proved a challenge, especially in a wet spring when heavy farm tractors risked getting stuck. Previously, the team used a 180HP tractor with a flail mower to cut the grass. A second-hand Kubota F251 was bought as a stop-gap, and although reliable, it lacked comfort.

## corners g farm

without chemicals

er  
challenge - especially during  
sked damaging the ground.  
or from the farm's fleet and a  
nd 2010 Kubota mower was  
ble, it was slow, noisy, and

Looking for a better long-term solution, David approached Irelands Farm Machinery and arranged demonstrations of the Kubota F391 37HP 'out front' and ZD1211 'zero turn' mowers.

"The team at Irelands were a great help," says David. "They didn't just drop off machines and leave us to it—they took the time to understand what we needed."

After testing both, they opted for the Kubota F251, 25HP 'Out Front Mower' fitted with a 1.5m cutting deck, a more compact model perfectly suited to their needs. Its wider cutting deck, higher forward speed, and comfortable cushioned seat have made mowing both faster and more enjoyable - allowing more bookable slots in the dog park as demand continues to rise.

The mower is also used to maintain the olive grove rows, ensuring both aesthetics and accessibility are maintained.

From initial advice to final handover, Irelands Farm Machinery ensured the process was smooth from start to finish. "It was all very straightforward, and we couldn't be happier with the result," says David.

Whether it's maintaining a pioneering olive grove or keeping a dog park in top shape, the Kubota F251 has proved to be the perfect fit for a farm that's always thinking one step ahead.

***"It was all very straightforward,  
and we couldn't be happier with  
the result."***

**NEW  
FOR 2025!**

# LEGEND

## Introducing the new LEGEND range

The revolution in trailer design continues with the new 'Legend Range' of trailers from Stewart, who as responsible suppliers take pride in the quality of their trailers with safety being a critical part of any design.

The LEGEND Range incorporates a new and improved lighting system and several innovative safety features.

The LEGEND Range is built with a mild steel body. The trailers are built with a box section chassis

and the body has a box section body frame and top rail for strength and durability.

The key features are listed below. Ask for further details and a quote

## LEGEND TIPPING TRAILERS

**BIGGER  
STRONGER  
TOUGHER**

# BIGGER STRONGER TOUGHER

## FLAT TRAILERS

FLAT TRAILERS CAN BE SUPPLIED WITH 4MM STEEL OR 28MM KERUING FLOORS FOR THE SAME PRICE

## BALE TRAILERS

BALE TRAILERS FROM 26FT TO 36FT CAN BE BUILT BASED ON THE STANDARD FLAT TRAILER RANGE.

## LOW LOADERS

FITTED WITH A 5MM KERUING FLOOR. HYDRAULICALLY OPERATED RAMPSAS STANDARD ON 15T & 22T MODELS.

## LIVESTOCK TRAILERS

FABRICATED ALMOST ENTIRELY IN ALUMINIUM GIVING A STRONG BUT LIGHTWEIGHT, DURABLE CONSTRUCTION.

## DUMPER TRAILERS

THREE TYPES OF CONSTRUCTION TRAILERS: DUMPERS WITH A SCOW TAIL, MONOCOQUE TRAILERS & PRO TRAILERS WITH A HARDOX® BODY.

## PRO SERIES

THE PRO SERIES TIPPING TRAILERS ARE BUILT WITH HARDOX® BODIES. ASK FOR OPTIONS.

## WHAT IS HARDOX®?

Hardox® is a wear plate; structures made of Hardox® weigh less and last longer than those made from mild steel. A tipping body made from Hardox® is more durable due to the unique combination of hardness and toughness. Using Hardox® allows for a body design with a minimum number of reinforcing beams on the outside.

## GX RANGE

THE GX RANGE ARE THE STANDARD TIPPING TRAILERS BUILT WITH A MILD STEEL BODY.

## ROAD KING

BUILT ON THREE AXLES WITH AIR SUSPENSION, AND AN OPTIONAL REAR STEER AXLE FOR ADDED MANOEUVRABILITY.

**ASK OUR SALES TEAM ABOUT THE OPTIONS AVAILABLE ON EACH RANGE**
